

Redmine - Defect #7182

parameter "limit" doesn't work in Issues REST API

2010-12-27 14:11 - Mark Kofman

Status:	Closed	Start date:	2010-12-27
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	REST API	Estimated time:	0.00 hour
Target version:		Affected version:	1.0.1
Resolution:	Invalid		
<b>Description</b>			
When doing request			
GET /issues.xml?project_id=testproject&query_id=2&offset=0&limit=10			
parameter "limit" is not working. I always get 25 rows as configured in "Objects per page options".			

History

#1 - 2010-12-27 16:59 - Felix Schäfer

I suppose you need 10 to be an available option in the global settings.

#2 - 2010-12-27 17:06 - Mark Kofman

I want to manipulate this with "limit" parameter and not in global settings. I need to do queries with different limits.

#3 - 2010-12-29 17:48 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Invalid

Please read [Rest\\_api#Collection-resources-and-pagination](#). This parameter is added in Redmine 1.1.0.
