Redmine - Feature #7240

Task that follows undone task is still visible on "my page"

2011-01-06 16:11 - Diogo Figueiredo

Status:	New		**Start date:**	2011-01-06
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Issues		**Estimated time:**	0.00 hour
Target version:				
Resolution:				

Description

This behavior should be configurable.

When the preceding task is done (closed), it should be possible for the following task to have its status changed automatically (from pending to confirmed).
