Redmine - Defect #7257

"Issues by" version links bad criterias

2011-01-10 09:33 - Etienne Massip

Status:	Closed		Start date:	2011-01-10
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Issues		**Estimated time:**	0.00 hour
Target version:	1.2.0			
Resolution:			**Affected version:**	1.1.0

Description
When following a link in the "Issues by" field set of a version page (whichever grouping type is selected), default criterias in the newly opened query page include issue status "open", which is not necessarily true.
Moreover, when grouping by author, if author is not part of project's members list then the criteria is *Author is << Me >>*.

History

#1 - 2011-01-11 15:19 - Etienne Massip

First point looks easy to solve (not a ruby dev, even less a redmine dev) :

```
Index: app/views/versions/_issue_counts.rhtml
===================================================================
--- app/views/versions/_issue_counts.rhtml    (revision 4686)
+++ app/views/versions/_issue_counts.rhtml    (working copy)
@@ -19,6 +19,7 @@
                                        :action => 'index',
                                        :project_id => version.project,
                                        :set_filter => 1,
+                                       :status_id => '*',
                                        :fixed_version_id => version,
                                        "#{criteria}_id" => count[:group]} %>
        </td>
```

Second one deserves to have its own issue.

#2 - 2011-01-11 15:21 - Etienne Massip

And it already has : [#4398](#)

#3 - 2011-03-03 20:19 - Etienne Massip

- Target version set to Candidate for next minor release

#4 - 2011-03-21 21:09 - Jean-Philippe Lang

Fix for status committed in [r5187](#), with a slight change for compatibility with [r5179](#).

#5 - 2011-03-29 19:30 - Etienne Massip

- Status changed from New to Resolved

- Target version changed from Candidate for next minor release to 1.2.0

#6 - 2011-05-28 14:39 - Terence Mill

Can this issue get closed?

#7 - 2011-05-29 09:21 - Jean-Philippe Lang

- Status changed from Resolved to Closed

This is not fixed and needs much more work. Will fix it later. Etienne, you can open an other ticket for that.

#8 - 2011-05-30 10:46 - Etienne Massip

There is already [#4398](#) which I'll set as candidate for next major.
