

Redmine - Defect #7258

Automatic spent time logging does not work properly with SQLite3

2011-01-10 10:37 - Go MAEDA

Status: Closed	Start date: 2011-01-10
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version: 1.1.1	Affected version: 1.1.0
Resolution: Fixed	

Description

Spent time entries which logged from commit messages cannot be seen on Spent time report when Redmine is running with SQLite3.

```
sqlite> select id, spent_on from time_entries;
1|2011-01-10
2|2011-01-10 15:44:00
3|2011-01-10
```

ID 1 and 2 were logged from Web. ID 2 was logged from svn commit message.

Because spent_on field on the ID 2 record has time part, the record cannot be seen on spent time report ("Overview" > "Details" | "Overview" > "Report").
