Redmine - Defect #7290

Redmine mailhandler leaves override attributes in comment

2011-01-11 13:06 - Be Fio

Status:	Closed		**Start date:**	2011-01-11
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Email receiving		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Duplicate		**Affected version:**	1.1.0

Description

Say I send an email in reply to a bug report notification (although this probably works when creating issues too??)

```
This is a new issue that overrides a few attributes
[...]

Priority: Urgent
Status: Resolved
```

The comment in the bug report is

```
* Priority set to urgent
* Status set to Resolved

This is a new issue that overrides a few attributes
[...]

Priority: Urgent
Status: Resolved
```

The expected comment in the bug report is

```
* Priority set to urgent
* Status set to Resolved

This is a new issue that overrides a few attributes
[...]
```

Where it strips out the overriding attributes in the comment.
