I believe I have the same issue (<http://www.redmine.org/boards/1/topics/20519>). But for me this error appears on creating new issues or updating existing once.

#4 - 2011-01-11 21:18 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Invalid

Tristan, your error stack trace shows that you there is something wrong with your setup. Make sure you have a fresh Redmine 1.1.0 code and that your instance was properly restarted.
