<b>Description</b> The length limits for category names should be lifted too. The current limit breaks migration. (See Feature <a href="#">#6446</a> )  Additionally, it might be a good idea to scrub the system for other arbitrarily low limitations that should be raised, that also might break migrations.			
<b>Related issues:</b> Is duplicate of Redmine - Patch #1791: Raise issue-categories name length-lim... <b>Closed</b> <b>2008-08-14</b>
