Redmine - Feature #7298

Remove length limits on category name

2011-01-11 23:21 - Brian Lindahl

Target version:				
Resolution:	Duplicate			

Description

The length limits for category names should be lifted too. The current limit breaks migration. (See Feature #6446)

Additionally, it might be a good idea to scrub the system for other arbitrarily low limitations that should be raised, that also might break migrations.
