<b>Description</b>  This is Bulgarian translation file that has been ordered exactly following en.yml <a href="#">r4519</a> 2010-12-17 10:14. Now, it will be much easier to handle the translation.  Default date format changed to "%d-%m-%Y". Several typos discarded.  Cheers, and happy new year to Redmine and the Redminers, Ivan			

History

#1 - 2011-01-23 20:00 - Ivan Cenov

- File *bg.yml* added

I'll upload here consecutive versions of bg.yml when changes are made (par example new strings added). The most recent file is the actual one. Please commit it and delete the old ones, I have no permission to do this.

Ivan
