# Redmine - Feature #740

# Cache transformed wiki\_pages

2008-02-25 16:22 - Joris Verschoor

Status: Closed Start date: 2008-02-25

Priority: Normal Due date:

Assignee:

Category: Text formatting Estimated time: 0.00 hour

Target version:

Resolution: Fixed

## **Description**

With large wiki pages, transforming can be quite slow. By storing the transformed text in a column, table or file (column preferred) the transformation could be skipped.

0%

## History

## #1 - 2008-06-27 22:31 - Jean-Philippe Lang

I've a working patch for this. It should be committed soon.

### #2 - 2015-10-04 07:56 - Go MAEDA

- Status changed from New to Closed

Implemented in r3372 (Redmine 1.0.0).

## #3 - 2015-10-04 07:57 - Go MAEDA

- Category changed from Wiki to Text formatting

# #4 - 2015-10-04 11:21 - Go MAEDA

- Resolution set to Fixed
