Redmine - Defect #745

There is no activate notice when user registered in Simplified Chinese Lang

2008-02-27 15:22 - Chaoqun Zou

Target version:			
Resolution:		**Affected version:**	

Description

in en.yml:
notice_account_register_done: Account was successfully created. To activate your account, click on the link that was emailed to you.

in zh.yml
notice_account_register_done: 口口口口口口口

this Chinese sentence is lake of "To activate your account, click on the link that was emailed to you.", so it is confusing, because I don't know I should activate before my first login.

History

#1 - 2008-02-27 21:51 - Jean-Philippe Lang

Could you give me the Chinese translation of the whole phrase so I can fix it ?

#2 - 2008-02-28 13:47 - Chaoqun Zou

I would like to make a whole Simp Chinese zh.yml language file with a more careful check these days and upload it when I finished.

- Status changed from Closed to Reopened

I could not above message after register account.
After I register a account and login form shown just and no message.

my settings are
Authentication required : false
Autologindisabled : 30 days
Self-registrationdisabled : account activation by email
Lost password : true
Allow OpenID login and registration : true
Enable REST web service : true

and environments are

I check "Lost password" action then
"notice_account_lost_email_sent" label's message not shown(no message).

and "notice_account_activated" label's message too.

Thank you for your effort and I appreciate.

Hi Toshi,

maybe you could take a look at this? :-)

This seems to be an outdated issue, but maybe you can verify if this issue is closeable.

Best regards,
Daniel

#7 - 2013-02-06 23:38 - Toshi MARUYAMA

- Subject changed from There is no activate notice when user registered in Simp Chinese Lang to There is no activate notice when user registered in Simplified Chinese Lang

r1186 changed zh.yml notice_account_register_done.

#8 - 2013-02-07 00:45 - Toshi MARUYAMA

- File notice_account_lost_email_sent.png added

- File notice_account_register_done.png added

- Status changed from Reopened to Closed
