Redmine - Feature #7590
Different commit Keywords for each tracker
2011-02-09 12:48 - Matthias Neubert

Status: Closed  Start date: 2011-02-09
Priority: Normal  Due date: 
Assignee: Jean-Philippe Lang  % Done: 0%
Category: SCM  Estimated time: 0.00 hour
Target version: 2.4.0  Resolution: Fixed

Description

I guess it is usefull to make it possible that one kann define keywords like "fixes" but distinguish beween the trackers in which state the issue of the tracker should be set

if #123 belongs to tracker "Feature" then "fixes #123" means feature goes to "Ready for test"

if #123 belongs to tracker "Build" then "fixes #123" means feature goes to "Done"

assuming that Support dosn't have the state "Ready for test" but has the state "Done"

Additionally the issue #1232 has other good ideas which should be done in one thing with my "tracker wise" idea

regards
Matthias

Associated revisions
Revision 12208 - 2013-10-13 09:37 - Jean-Philippe Lang

Ability to define commit keywords per tracker (#7590).

Revision 12209 - 2013-10-13 09:39 - Jean-Philippe Lang

Migrate settings according to r12208 (#7590).

Revision 12216 - 2013-10-13 12:03 - Jean-Philippe Lang

Fixed that non array commit_update_keywords raises an error (#7590).

History
#1 - 2013-10-05 11:58 - Jean-Philippe Lang
- Duplicated by Feature #12656: make commit keywords and issue ratio configurable for each tracker added

#2 - 2013-10-13 09:36 - Jean-Philippe Lang
- Related to Feature #4911: Multiple issue update rules with different keywords in commit messages added
#3 - 2013-10-13 09:40 - Jean-Philippe Lang
- Status changed from New to Closed
- Assignee set to Jean-Philippe Lang
- Target version set to 2.4.0
- Resolution set to Fixed

Feature added in r12208.

#4 - 2013-10-13 11:17 - Ivan Cenov

Tested source:/trunk@12215 without any plugins. Configuration: thin, Ruby 1.9.3, Windows 7. Executed `rake db:migrate RAILS_ENV=production` (I saw no migration output in console though). Here is what received at /path/to/redmine/settings:

```
Started GET "/settings" for 192.168.142.1 at 2013-10-13 12:09:16 +0300

This should be fixed in r12216.

#6 - 2013-10-13 12:31 - Ivan Cenov

Yes, it works in source:/trunk@12218.

#7 - 2013-10-13 14:39 - Jean-Philippe Lang

Thanks for your feedback Ivan.
