

Redmine - Defect #764

Anonymous LDAP access

2008-03-01 21:58 - Mark Hymers

Status:	Closed	Start date:	2008-03-01
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	0.7	Affected version:	
Resolution:			

Description

When trying to use LDAP for authentication for users, the following traceback occurred:

```
RuntimeError (LdapError: invalid binding information):
/app/models/auth_source_ldap.rb:63:in `authenticate'
/vendor/rails/activerecord/lib/active_record/associations/association_proxy.rb:125:in `send'

Rendering /home/mark/mainline/vendor/rails/actionpack/lib/action_controller/templates/rescues/layout.erb
(internal_server_error)

This appears to be because instead of a null user and password meaning an anonymous bind (followed by a bind as the real user later for authentication), it tries to bind with an empty username/password.

A patch is attached to fix this but I'm not a ruby coder so it may not be the most elegant way of doing it.

Thanks

Associated revisions

Revision 1194 - 2008-03-05 13:43 - Jean-Philippe Lang

Fixed "LdapError: invalid binding information" when no username/password are set on the LDAP account (#764).

History

#1 - 2008-03-05 13:43 - Jean-Philippe Lang

- Status changed from *New* to *Resolved*

I don't have this problem with openldap, but the fix is committed in r1194 (slightly different than yours).

Can you confirm it works ? Thanks.

#2 - 2008-03-30 00:01 - Jean-Philippe Lang

- Status changed from *Resolved* to *Closed*

- Target version set to *0.7*
