

Redmine - Feature #7662

Remove Default Date Stamp at Start Date

2011-02-19 23:19 - Jared Shusterman

Status: Closed	Start date: 2011-02-19
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Issues planning	Estimated time: 0.00 hour
Target version:	
Resolution: Duplicate	
Description	
<p>As a Redmine Project Manager using our own implementation of Agile, I'd like a setting to remove the start date from automatically populating whenever a new issue is created to avoid unintentional errors of having the wrong date selected.</p> <p>We use the start date internally to denote when a team member picks up and starts a task - the project manager can use the calendar functions to monitor.</p> <p>Because the start date automatically populates the value at new issue creation, it creates problems with data being created erroneously.</p>
