Redmine - Defect #7678

Unable to reopen a fixed issue

2011-02-21 16:58 - Etienne Massip

Status:	Closed		**Start date:**	2011-02-21
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Website (redmine.org)		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Invalid		**Affected version:**	

Description

In the Defect tracker, we can't set the status from Fixed to Reopened : when clicking on Update, the Status field is set to Reopened by default, thus preventing you to submit it as the new status.

History

#1 - 2011-02-26 17:42 - Etienne Massip

- Status changed from New to Closed

- Assignee deleted (Jean-Philippe Lang)

- Resolution set to Invalid

Thinking twice, not very relevant : the issue was not closed, so it couldn't be reopened.
