Redmine - Feature #7693

"Log In As" for Admins

2011-02-23 08:53 - To Ge

Status:	Closed		**Start date:**	2011-02-23

Target version:				
Resolution:	Duplicate			

Description

Sometimes report users some issues with their account. If you've got many projects (subprojects!) it's difficult to understand the real user problems. Now if the admin can "login as ..." he can analyze the problem faster. . Maybe this "login as..." runs with "Rollback", so changes not happened.
