Redmine - Feature #7754

Plugin priority

2011-03-02 09:50 - Luis Serrano Aranda

Status:	Closed		**Start date:**	2011-03-02
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:				
Resolution:	Invalid			

Description
There any way to specify the load order of plugins?

History

#1 - 2011-03-03 10:08 - Etienne Massip

- Status changed from New to Closed

- Resolution set to Invalid

Could you please ask this question in help forum ?

This tracker is intended for bugs, well defined feature needs or patches exclusively.

As of the answer, Google told me you can by adding a line in your config/environment.rb.

E.g.

```
config.plugins = [ :exception_notification, :ssl_requirement, :all ]
```

where :all is a wildcard meaning "every other plugin".

Looking at code of Rails::Plugin#<=>, default sort order seems to be by plugin name.
