Description Hello I was thinking about a report feature, because we are trying to use redmine for capacity planing also. My idea for a new feature is that where you can report the logged hours, it would be a good thing if you can do this for estimated hours also. If it's possible it would be great if someone can do this Thanks, Regards Erik Hetényi

History

- #1 - 2011-03-03 14:30 - Etienne Massip
- Subject changed from Estimated hours to Estimated hours in time report
- #2 - 2011-10-18 20:56 - Mischa The Evil
Removing issue-relations with [#2268](#) and [#1374](#) since they are describing another, unrelated feature (adding estimated time summaries to **issue lists**).
