

Redmine - Feature #7798

Limit on associated revisions for a ticket?

2011-03-07 06:21 - Bob Bottle

Status:	Closed	Start date:	2011-03-07
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	SCM	Estimated time:	0.00 hour
Target version:			
Resolution:	Invalid		
Description			
I noticed that after making a lot of commits towards a particular issue, it would only display the first 20 in the associated revisions tab for the issue. Is there a way of increasing this limit?			

History

#1 - 2011-03-07 07:08 - Bob Bottle

- Status changed from New to Resolved

Sorry, turns out it was user error. My commits weren't showing up anymore since I moved the issue into a new project. References [#3087](#)

#2 - 2011-03-07 07:25 - Toshi MARUYAMA

- Category set to SCM

- Status changed from Resolved to New

#3 - 2011-03-07 09:13 - Etienne Massip

- Status changed from New to Closed

- Resolution set to Invalid

There is no such limit.
