

## Redmine - Feature #7848

### Add class for project title in the header

2011-03-13 09:30 - Ivan Cenov

<b>Status:</b> Closed	<b>Start date:</b> 2011-03-13
<b>Priority:</b> Normal	<b>Due date:</b>

<b>Target version:</b>	
<b>Resolution:</b> Fixed	
<b>Description</b>	
<p>This issue follows the thread message#22459 .</p> <p>Now the project title is in 'h1' and as consequence it is too big (look at "Deep in hierarchy" in the picture uploaded in the above forum thread).</p> <p>It would be nice this to have its class in css so as one to be able to tune it as he/she finds it appropriate.</p> <p>The method generating the projects titles is source:/trunk/app/helpers/application_helper.rb#L396 and the line that adds the title of the selected project is source:/trunk/app/helpers/application_helper.rb#L411 (I suppose so.).</p>

### History

#### #1 - 2011-04-08 08:55 - Etienne Massip

- Target version set to Candidate for next major release

#### #2 - 2011-04-08 08:56 - Etienne Massip

There are some shots in #8097.

#### #3 - 2013-02-02 13:24 - Ivan Cenov

- Status changed from New to Resolved

I edited my theme and also made project names shorter so this is not issue for me. If no one else is interested, please close this issue.

#### #4 - 2018-01-10 13:36 - Go MAEDA

- Status changed from Resolved to Closed

- Target version deleted (Candidate for next major release)

- Resolution set to Fixed

Project name in the header has "current-project" class since r15256 (Redmine 3.3.0).

#### #5 - 2018-01-10 13:37 - Go MAEDA

- Related to Patch #21947: Improve page header title for deeply nested project structures (+ improved XSS resilience) added

**#6 - 2018-01-10 13:42 - Toshi MARUYAMA**

- Description updated
