Category: Issues	Estimated time: 0.00 hour
Target version:	
Resolution: Invalid	
Description Using 1.0.4 In the issue filter for assigned to there is no option to specify 'None'.	

History

#1 - 2011-03-24 21:09 - Etienne Massip

- Status changed from New to Closed
- Resolution set to Invalid

Weird, you should.

Anyway, it is present on demo site.

#2 - 2011-03-24 21:30 - Gerry Hawkins

Any idea on why it wouldn't be visible for me?
An installation issue, config setting, somehow not present until after 1.0.4?
Thanks

Compare your app/models/query.rb to the repo one (<source:/tags/1.0.4/app/models/query.rb>) ?

#4 - 2011-03-25 14:03 - Gerry Hawkins

Ha! What a brain cramp I had yesterday. I flashed back to my previous system which had an entry like <<me>> for None.

Everything is fine. Sorry for wasting your time Etienne.
