Redmine - Feature #8047

Gantt - Hide versions with no tasks

2011-04-01 21:42 - Cassiano Monteiro

Category:	Gantt	**Estimated time:**	0.00 hour
Target version:			
Resolution:	Duplicate		

Description

Whenever I apply a filter on Gantt, it shows all versions, disregarding if there are issues shown or not. My suggestion is to not display versions that don´t have any issue displayed on Gantt (on the screenshot are displayed some issues, and some versions with no issues under them.
