

Redmine - Defect #8069

add option to disable "buildnow" button on hudson plugin

2011-04-05 09:36 - Kevin Cai

Status:	Closed	Start date:	2011-04-05

Target version:		Affected version:	
Resolution:	Invalid		
Description			
Current hudson plugin will show the "Build Now" button for each hudson/jenkins job no matter the configured user has/hasn't the permission to trigger the remote job.			
It would be friendly to add an option to Hide/Show the 'Build Now' button so that end-user can implement a read-only access to hudson CI.
