

Redmine - Feature #8119

Easy Web GUI update

2011-04-09 23:51 - James Johnson

Status:	Closed	Start date:	2011-04-09
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Roadmap	Estimated time:	0.00 hour
Target version:			
Resolution:	Wont fix		
Description			
Is there a way we can implement a easy web gui update maybe even a link on the administration tab to update the system?

- Status changed from New to Closed
- Priority changed from High to Normal
- Resolution set to Wont fix

Your report is very short, I don't think it's a "High priority" at all. If you're talking about Redmine updating itself, it's pretty hard because it implies administrator rights to restart the instance. I don't think it will ever be integrated to the core.
