And add a new option in the profile to see or not to assign the task members

And add a new option inside the user profile to choose see or not to assign the task members

Do you mean

Add a new option in the user profile to activate / deactivate automatic assignment of new tasks to the user  
?

#4 - 2011-04-15 14:20 - Luis Serrano Aranda

Not, an option to see or not the menu assigned to in the issue page. I think it's an option not to use any user.
