

Redmine - Defect #8234

Roadmap-Summary counts hidden Trackers

2011-04-27 09:09 - Daniel Schaarschmidt

Status:	Closed	Start date:	2011-04-27
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Roadmap	Estimated time:	0.00 hour
Target version:		Affected version:	1.1.2
Resolution:	Wont fix		
Description			
Right below the progress bar on the Roadmap-Page I can see counts for open and closed tickets. Although I did choose to filter the view to only show 2 of 3 trackers, tickets from the hidden tracker are counted, too. IMHO the total count should be affected by the filters, counting only items from selected trackers.			

History

#1 - 2011-05-24 11:57 - Etienne Massip

- Target version set to Candidate for next minor release

#2 - 2014-11-04 19:24 - Jean-Philippe Lang

- Status changed from New to Closed
- Target version deleted (Candidate for next minor release)
- Resolution set to Wont fix

Issue counts and version progress that relies on that should not depend on the filters.
