History

#1 - 2011-04-30 02:17 - Mischa The Evil

- Subject changed from Update CodeRay to 1.0 final to Consider updating CodeRay to 1.0 RC-x

Copied from #4264 to consider implementing CodeRay 1.0 RC-x (before CodeRay 1.0 final is released) into *a* following version that allows such change (according to ReleaseManagement, though this document seems outdated atm, this should be possible in a minor release (i.e. at least 1.3.0, looking at current state of 1.2.0) and is looking possible due to the followed roadmap of CodeRay).

#2 - 2011-04-30 02:25 - Mischa The Evil

Changed issue-relations to reflect the upstream roadmap:

+	related to Defect #7495: Python multiline comments highlighting problem in Reposit...
+	precedes Feature #4264: Update CodeRay to 1.0 final

#3 - 2011-05-03 20:03 - johann sebatian

- Assignee set to johann sebatian

#4 - 2011-06-10 10:04 - Etienne Massip

- Assignee deleted (johann sebatian)

#5 - 2011-06-17 11:48 - Etienne Massip

CodeRay 1.0pre is out.

#6 - 2011-09-21 09:26 - Etienne Massip

- Status changed from New to Closed

- Target version deleted (Unplanned backlogs)

- Resolution set to Invalid

Closed in favor of moving to CodeRay 1.0 final (#4264) which has been released.
