<b>Resolution:</b> Duplicate	
<b>Description</b> I've checked for this feature at the plugins list. It'd be nice that a user could check-in his holidays and you could take it into account when assigning an issue and even get a group-holidays view Is there any plugin in developement on this you know of?	
<b>Related issues:</b> Is duplicate of Redmine - Feature #7079: Adding Holidays to Calendar <b>New</b> <b>2010-12-08</b>
