

Redmine - Patch #8414

time_entry is saved even with errors

2011-05-20 14:09 - Francisco José Martínez

Status:	Closed	Start date:	2011-05-20
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:			
Description			
<p>I don't know if this is already fixed, I'm looking for and no result has been found.</p> <p>We have a custom field at beginning isn't require, passed few time, we changed this behaviour. some issues hadn't got defined a value for this custom field.</p> <p>If we try to update the issue, we puts some hours in the field spent_time, but don't put any value in the custom field required then submit.</p> <p>We have a error, but the time_entry don't have rollback</p> <p>I'm using redmine 1.0.2 (stable)</p> <p>I've patched the Issue::save_issue_with_child_records adding a "raise" if "params" isn't valid</p>			

History

#1 - 2011-05-20 14:13 - Francisco José Martínez

- File issue.rb.patch added

#2 - 2011-08-09 10:03 - Francisco José Martínez

- % Done changed from 100 to 0

#3 - 2016-12-26 15:32 - Go MAEDA

- Status changed from New to Closed

I cannot reproduce the problem in the current trunk ([r16111](#)).

Probably fixed in [r8891](#), [source:trunk/app/models/issue.rb@8891#L698](#) (Redmine 1.4.0).
