Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description When I create a new issue, that for example is a follow-up bug of an existing bug I can't make this operation at the same time that I create the new issue, but I must: 1. create the new issue; 2. add related issues this is very annoying workflow			
Related issues: Is duplicate of Redmine - Feature #5238: Related issues option accessible dur... <div>New2010-04-02</div>
