Related to Redmine - Defect #7857: A NoMethodError occurred in account#login	**Closed**	**2011-03-14**

History

#1 - 2011-05-31 14:10 - Etienne Massip

Guess it's related to #7857, if not dup.

#2 - 2011-05-31 14:10 - Etienne Massip

- Category set to Accounts / authentication

#3 - 2011-07-05 11:05 - Ward V

I'm also seeing this on stock 1.2.0, openid login seems entirely broken.

#4 - 2011-07-05 11:50 - Etienne Massip

What is stock ? Did you add Mongrel patches as required (see RedmineInstall) ?

#5 - 2011-07-15 13:47 - Tim marston

Quite possibly. The workaround suggested here also seems to fix this issue with OpenID logins as well (or it does for me, at least).

#6 - 2011-09-13 10:45 - Etienne Massip

- Category changed from Accounts / authentication to OpenID

#7 - 2021-12-14 01:14 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Wont fix

The OpenID support has been dropped by [#35755](#) for the upcoming Redmine 5.0.0.
