

Redmine - Defect #852

repositoy path not stripped of whitespace

2008-03-14 10:37 - Luca Pireddu

Status:	Closed	Start date:	2008-03-14
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:			
Description When the path to a repository for a project is saved it is not stripped of trailing whitespace. The repository results inaccessible and the error in the configuration is not apparent (hard to notice a trailing whitespace in the text field...). This was observed when configuring an SVN repository.
