Don't remember such a popup in Redmine core, is it a plugin feature ?

#2 - 2011-06-10 16:03 - Nikolay Marchenko

Yes. This feature is called "Assign question to"

#3 - 2011-06-11 13:39 - Etienne Massip

You should check with plugin author, this must be a plugin css issue.

#4 - 2011-06-26 17:11 - Jean-Baptiste Barth

- Status changed from New to Closed

- Resolution set to Invalid

Agreed, issue should be opened on the plugin side. I close the issue but don't hesitate to tell us if there's something wrong with redmine core itself.
