Redmine - Defect #8636

Redmine doesn't wrap long words when using default theme

2011-06-17 01:24 - Alexey Fyodorov

Status:	Closed		**Start date:**	2011-06-17
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Themes		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Duplicate		**Affected version:**	1.2.0

Description

Redmine doesn't wrap long words when using default theme. For example, all the long links are out of div's border.

Possible workaround (patch?) is add the following section to application.css:

```
div {
word-wrap: break-word;
}
```

Please, see screenshots attached.
