

Redmine - Feature #8760

Allow to set issue assignee to yourself using special keywords in mail

2011-07-07 11:56 - Alex Shulgin

|   |                 |                        |            |
|---|-----------------|------------------------|------------|
| <b>Status:</b>  | New             | <b>Start date:</b>     | 2011-07-07 |
| <b>Priority:</b>  | Normal          | <b>Due date:</b>       |            |
| <b>Assignee:</b>  |                 | <b>% Done:</b>         | 0%         |
| <b>Category:</b>  | Email receiving | <b>Estimated time:</b> | 0.00 hour  |
| <b>Target version:</b>  |                 |                        |            |
| <b>Resolution:</b>  |                 |                        |            |
| <b>Description</b><br>Attached is a patch to set issue assignee to yourself using mail.<br><br>Syntax example:<br><br>Assignee: <me> or <<me>> or /me |                 |                        |            |

This is a neat idea, I could go for something like:

/mine

One caveat is that this keyword should be ignored if in quoted text.
