

Redmine - Patch #8772

Provide a hook for projects index contextual menu customization

2011-07-08 15:56 - Alex Shulgin

Status:	Closed	Start date:	2011-07-08
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Hook requests	Estimated time:	0.00 hour
Target version:			
Description Attached patch adds a new hook called :view_projects_index_activity_menu. It allows plugins to add more links to the contextual menu at the projects index page. The menu is currently fixed to: New project View all issues Overall spent time Overall activity The patch allows to add more links like this, before the last one: 'Overall activity'. Example of usage: https://github.com/commandprompt/redmine_pastebin/blob/master/app/views/hooks/_view_projects_index_activity_menu.html.erb (adds 'View all pastes' link.)			
Related issues: Is duplicate of Redmine - Patch #11492: Added :view_projects_index_activity_m... Closed
