

Redmine - Patch #8772

Provide a hook for projects index contextual menu customization

2011-07-08 15:56 - Alex Shulgin

Status: Closed	Start date: 2011-07-08
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Hook requests	Estimated time: 0.00 hour
Target version:	
Description Attached patch adds a new hook called <code>:view_projects_index_activity_menu</code> . It allows plugins to add more links to the contextual menu at the projects index page. The menu is currently fixed to: <code>New project View all issues Overall spent time Overall activity</code> The patch allows to add more links like this, before the last one: 'Overall activity'. Example of usage: https://github.com/commandprompt/redmine_pastebin/blob/master/app/views/hooks/_view_projects_index_activity_menu.html.erb (adds 'View all pastes' link.)	
Related issues: Is duplicate of Redmine - Patch #11492: Added <code>:view_projects_index_activity_m...</code> Closed
