### History

#### #1 - 2011-07-20 08:53 - pasquale [:dedalus]

- File *bug-in-action.png* added

As show in attachment:bug-in-action.png, the custom query show the right number of bugs (excludes tha bugs related to hidden project). The count of total numbers of bugs assigned to me is wrong, because include also the "hidden" bugs

#### #2 - 2011-07-20 10:08 - Etienne Massip

- Status changed from *New* to *Closed*

- Resolution set to *Duplicate*

Closed as duplicate of #8633, thanks for the explanation.
