

## Redmine - Defect #899

### Language (auto): Random language in Issue listheaders?

2008-03-20 01:17 - Kai Olav Fredriksen

<b>Resolution:</b>	
<b>Description</b> I have the language on (auto). I see, both here and on our Redmine-install, that the headers of the issue-list (on Issue-page), seems to come in a random language. This time I think it's an asian language, last time I'm pretty sure it was portugese :)
