

Redmine - Feature #901

References to issues from other projects

2008-03-20 10:27 - Rachel Majchrzak

Status:	Closed	Start date:	2008-03-20
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Projects	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description Sometimes similar issues can be raised in different projects. In that case, it would be nice to be able to reference issues from other projects.			

History

#1 - 2008-03-20 14:16 - Jos Yule

- Status changed from New to Resolved

This is already possible. There is an option in the Admin > Settings > Issue Tracking tab called: Allow cross-project issue relations

This should do the trick for you.

#2 - 2008-03-20 17:44 - Thomas Lecavelier

- Status changed from Resolved to Closed

Feature already exists. Closed request.
