#### Associated revisions

##### Revision 1278 - 2008-03-20 20:25 - John Goerzen

Revert "Make an issue's done\_ratio field adjustable from the right-click"

Reverts commit r1277  
fixes #904  
refs #641

This had been working for me in testing for some time, but received issue #904 saying it broke the context menu. I was able to make it do so on a new project as well. Will revert and comment in #641 about this.

##### Revision 1279 - 2008-03-21 18:32 - Jean-Philippe Lang

Add done\_ratio to the right-click context menu.  
Closes #904 (back\_to variable used in patch #641 and in r1277 is no longer defined).

#### History

##### #1 - 2008-03-20 21:17 - John Goerzen

Applied in changeset [r1278](#).

Upon further investigation, I do not believe this specific problem caused the referenced issue. I should have validated the submitter's assertion.

After reverting the patch in [r1278](#), subsequent testing reveals the issue is still present. That is, the state of the tree at [r1278](#) is identical to the state at [r1276](#), which would indicate to me that [r1277](#) did not break it.

However, I will not re-commit [r1277](#) until we know what is going on.

##### #3 - 2008-03-21 00:02 - John Goerzen

Sergej, are you absolutely sure that the context menu worked for you in [r1276](#)?

##### #4 - 2008-03-21 07:43 - Sergej Jegorov

I use firefox as browser.  
I just do svn up -r1277 and mongrel\_rails cluster::restart  
After that I go to Issue list and right-click on some issue. I saw Loading..., but context menu don't appear.  
When i do svn up -r1277 or -r1278 and mongrel\_rails cluster::restart then right-click context menu appear.

##### #5 - 2008-03-21 07:46 - Sergej Jegorov

P.S.  
I do rake tmp:sessions:clear and rake tmp:cache:clear before mongrel\_rails cluster::restart.

## #6 - 2008-03-21 15:51 - Jean-Philippe Lang

Do you see an error in the log when the menu doesn't show up ?

## #7 - 2008-03-21 16:18 - Sergej Jegorov

sorry I fogot about log ... ;)
