

Redmine - Defect #9179

Columns dissappear in issues list

2011-09-04 02:12 - Anonymous

Status:	Closed	Start date:	2011-09-04
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:		Affected version:	1.2.1
Resolution:	Invalid		
Description			
After migration from Redmine 1.1.2 to version 1.2.1 I experience major trouble. When I make any change in options of issues list and click apply, all columns in list dissappear except for issue id. attachment:defect-in-issues-list.mht contains a page with invalid list.			

History

thin (1.2.7 x86-mingw32)
```

#2 - 2011-09-04 21:51 - Anonymous

- Status changed from New to Resolved
- Assignee set to Anonymous

The reason of the error was incompatibility in plugin “Show Descriptions”. After removing that plugin problem was resolved.

#3 - 2011-09-04 22:40 - Etienne Massip

- Status changed from Resolved to Closed
- Resolution set to Invalid
