

Redmine - Feature #9203

Display SCM tag next to revision

2011-09-07 13:27 - Orgad Shaneh

Status:	New	Start date:	2011-09-07
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	SCM	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description It would be nice if Redmine displayed tag (if it exists) next to revision ID. Example: Revision 82b5285c (1.2.1) On the Repository view it may appear next to the revision ID as well.

Would be very helpful when browsing the repositories to see which changes came into certain releases or builds.
