

Redmine - Feature #9284

Repeatable Tasks should appear in Issue list when they should happen

2011-09-20 12:36 - Johny Mc

Target version:			
Resolution:	Invalid		
Description We always do repeatable tasks like dumping database or planning or making payments and it's not correct to see it in Issue list because our focus should be on new tasks to make progress! Best way if they would appear in list say 3 or 7 days before they should be done! Repeatable tasks should be done too! and it's not convenient to see 5 same tasks in list with only different DATE!
