any news on this one? would love to see RADIUS support in Redmine.

#3 - 2011-03-24 08:37 - Toshi MARUYAMA

- Category set to Accounts / authentication

#4 - 2015-01-12 22:35 - The 2nd

i would like to use redmine with otpme (<https://www.otpme.org/>) and therefore radius support would be really great! :)
