Redmine - Defect #9411

Number of issues closed / open in Roadmap include private even on restricted accounts

2011-10-12 17:05 - claude g

Status:	Closed		**Start date:**	2011-10-12
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Roadmap		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Duplicate		**Affected version:**	1.2.0

Description

The roadmap of one of our software indicates 20 closed / 0 open (cool everything is ready for delivery !). Among the 20 closed :

- 10 are private,
- 10 are public,

If I connect with a public user (the client) :

- the detailed list of issues is correct : 10 public issues are shown only
- BUT the totals are wrong indicating 20 closed / 0 open => they know how many private issues have been corrected !

More : if I click on the link of total issue closed (similar to
http://www.redmine.org/projects/redmine/issues?fixed_version_id=38&set_filter=1&status_id=c), the issue list displays only public issues but again which is correct but the total (near pagination below the table) is still at (1-20/20) instead of (1-10/10) for an account that can't see private issue.

History

#1 - 2011-10-26 06:23 - Mischa The Evil

- Assignee set to Mischa The Evil

I'll see if I can replicate this issue after the changes made for #8633.

#2 - 2011-11-24 22:00 - Jean-Philippe Lang

The number displayed on the roadmap are the total issue counts, since a version's progress does not depend on the user visibility.

BTW, pagination count is fixed.

#3 - 2011-11-26 22:13 - Mischa The Evil

- Assignee deleted (Mischa The Evil)

How does this affect this issue? Should we:

- close the issue with resolution wont fix?
- change it to the feature tracker as a request to also take the issue visibility into account on the roadmap/version issue counts (which will then maybe also affect the issues report)?
- leave it as a defect as it is now?

#5 - 2015-03-25 17:15 - Toshi MARUYAMA

- Status changed from New to Closed

- Resolution set to Duplicate

Duplicate of [#15248](#15248).

#6 - 2015-03-25 17:16 - Toshi MARUYAMA

- Is duplicate of Defect #15248: Ticket count in roadmap view wrong added
