Description Now, only 1 person can be assigned to an issue. I suggest to allow to choose more than 1 person there. Sorry if I submitted a duplicated issue. It is very hard to search in those 2.000+ feature requests.

History

- Status changed from New to Closed
- Resolution set to Duplicate

This has been resolved with [#2964](#) for [1.3.0](#) with the ability to assign an issue to a group.

If you want to be able to assign issues to more than one person instead of a group, please reopen [#408](#).
