Redmine - Defect #9435

Github repository stale

2011-10-18 08:58 - Bernhard Furtmueller

Status:	Closed		**Start date:**	2011-10-18
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Website (redmine.org)		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Invalid		**Affected version:**	

Description

The github repository became stale:
Last updated September 22, 2011 by marutosi

I know this repository is not official, but there are for sure some users (like me) following.
https://github.com/edavis10/redmine

Would be great if you could get it updating again.

History

#1 - 2011-10-18 09:08 - Etienne Massip

- Status changed from New to Closed

- Assignee changed from Jean-Philippe Lang to Etienne Massip

- Resolution set to Invalid

This repository is not updated by Toshi but Eric Davis, you should contact him on GitHub.

#2 - 2011-10-18 09:08 - Etienne Massip

- Assignee deleted (Etienne Massip)

#3 - 2011-10-25 12:34 - Edwin Hannan
