

Redmine - Feature #9473

New option in roles

2011-10-26 08:25 - Luis Serrano Aranda

Status:	New	Start date:	2011-10-26
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Permissions and roles	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description I think a very interesting improve it's: add inside the roles the option file attachment inside issues (enabled or disabled) and if the option it's enabled the maximum size permitted			

History

#1 - 2011-10-26 11:14 - Etienne Massip

- Category set to Permissions and roles

Meaning either a user has the ability to upload a file with no maximum size or he has no possibility to upload a file at all??
