- Status changed from New to Closed

- Resolution set to Duplicate

Thanks, this is an issue which triggers only when updating Redmine, duplicate of #7857, you'll find a patch over there.

#4 - 2011-11-14 16:16 - Etienne Massip

Also note that, according to last post in [#7857](), using Rails 2.3.14 (which is supported by Redmine) seems to solve the issue.
